# CMA Youth 2020

**Club Service** is the avenue which connects lives of Youths. The Club Service avenue strives to ensure that the Youths bond and network with each other. The avenue focuses on increasing membership in the movement. They are the ones who add the fun element in our work!

**Community Service** is one of the Avenues of Service which encourages CMA and Youth to offer service to their communities. We Youths assume a responsibility to find ways to improve the quality of life for those within their communities and to serve for the betterment of the public. We recognize the importance of giving back to the community. As Youths we have the reasonability to find ways to improve the quality of life for those within our communities and to serve the public

**Professional Development** helps to improve and increase capability of an individual through access to various training and workshop sessions. It helps to upgrade the skills required in respective professional areas. It also helps Youths to get various job and internship opportunities and bridges the gap between professional world and the youth.

**Inter-Club Services** avenue aims at enhancing a member's knowledge, understanding and appreciation other communities, problems and opportunities, as well as cultural differences. We are accountable for developing activities to promote Inter-club understanding and goodwill.

**Media and Public Relations** avenue aims at managing editorials, newsletters, marketing, sponsorship, social media for Youth.
